

# BMK UGANDA LTD. CONSTRUCTION PROFILE

HEAVY MACHINERY    CONSTRUCTION    PROPERTY DEVELOPMENT    CIVIL ENGINEERS

BMK Group has been actively operating in the East African region for over 31 years with an impressive range of residential, commercial and tourism projects.

## BUSINESS ACTIVITIES

- Heavy Machinery
- Construction and Engineering
- Tourism and Hospitality
- Property Development

## OUR PHILOSOPHY

Our corporate philosophy is centered on the guarantee of quality, confidence and customer satisfaction while always strictly complying with health and safety standards. Since 1986 our name and our recognition has been identified with our projects.

We achieve our customer's requirements and expectations of quality and design according to the latest technological developments in engineering and architecture. Our young and dynamic team adopt state-of-the-art techniques for the buildings we create.

We lay secure foundations in accordance with the latest and best developments in this sector. Our vision is to lay strong foundations and alliances with our business partners to develop a long-term strategy plan for investments in East Africa.

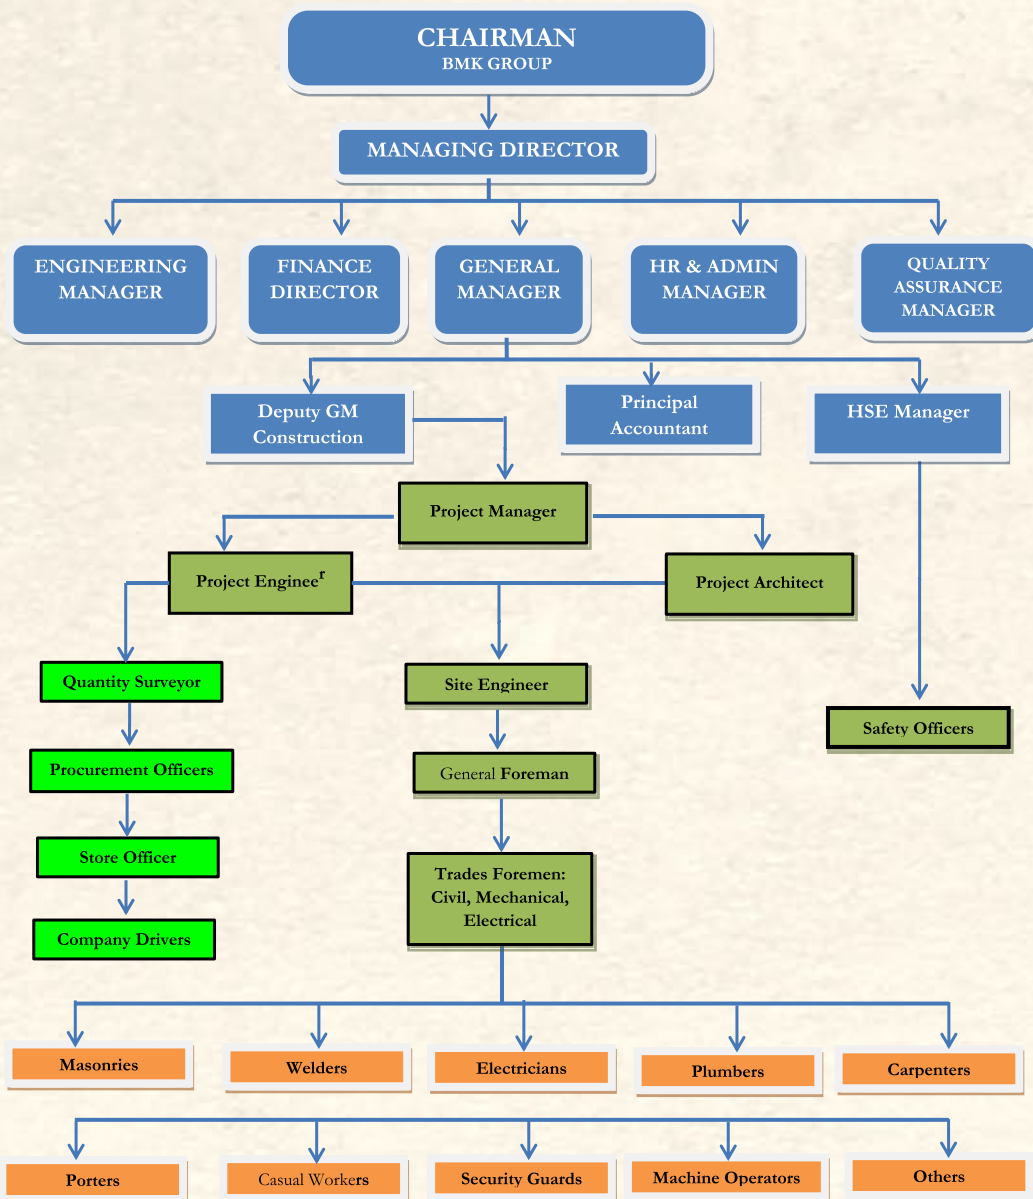

## MISSION STATEMENT

- To provide our customers the highest level of quality services at fair and market competitive prices.
- To ensure the longevity of our company through repeat and referral business achieved by customer satisfaction in all areas including timeliness, attention to detail and service-minded attitudes.
- To maintain the highest levels of professionalism, integrity, honesty and fairness in our relationships with our suppliers, subcontractors, professional associates and customers.
